Following the successful completion of EquipmentShare's initial public offering ("IPO"), Board members Henry Yeagley, who joined the Board in May 2022, and John Weinstein, who joined the Board in December 2024, stepped down in connection with an orderly board transition. Their departures reflect the Company's continued evolution as a public company.

"Damian's experience in corporate governance, finance, and strategy, combined with Harley's exceptional track record in scaling high-growth venture ecosystems and his deep historical knowledge of EquipmentShare will be invaluable as we continue expanding our footprint and driving long-term shareholder value."

"On behalf of the entire Board and executive team, I want to express our gratitude to Henry and John. Their leadership and support were instrumental in navigating our growth and preparing EquipmentShare for its market debut. We truly appreciate their years of service to the Company, and we wish them the absolute best in their future endeavors," said Schlacks.

"EquipmentShare has consistently redefined expectations in the industrial technology and asset management sectors," said Mr. Giangiacomo. "I look forward to partnering with the leadership team and the rest of the Board to champion robust governance and support the Company's fiscal and strategic goals in the public sphere."

"Having supported EquipmentShare during an earlier phase of its remarkable journey, I am thrilled to rejoin the Board at this milestone moment," added Mr. Miller. "The team has built an incredible foundation, and I am eager to leverage my experience with high-scale technology businesses to help guide the Company through its public market expansion."

"I am deeply grateful for the opportunity to have contributed to EquipmentShare's remarkable journey," said John Weinstein, Managing Director at Insight Partners. "Our successful IPO marks the achievement of a major strategic milestone, creating the perfect inflection point for an orderly board transition. Insight Partners remains a dedicated shareholder, with full confidence that the Company is well-positioned to deliver long-term value to its new public shareholders."

"It has been an honor to serve on EquipmentShare's Board and to witness the Company's evolution and public debut," said Henry Yeagley, Partner at BDT & MSD. "We look forward to continuing to support EquipmentShare and seeing its continued success."
